**Characters:**

Pavitr "Peter" Prabhakar	
Age: 19	Occupation: NYUAD Student, Biology Major
Origin of Powers	Spider from another Dimension
Motivations	Pavitr aims to help people without having to put on a mask. He doesn't intend to become a superhero.

Section	Scenes	Location & Time
Opening Scene 0:00 ~ 0:20	Close-Up shots of Pavitr's daily routine. <ul style="list-style-type: none"> <li>- Alarm clock ringing</li> <li>- Wallet, NYU ID</li> <li>- Brushing teeth in a rush</li> <li>- Dressing up</li> </ul>	Dorm Room
Learning Flashbacks 0:20 ~ 3:00	Volleyball Sequence: Realizing his sticking tendencies, tries to set a ball but ends up sticking to the ball. The other plays call him a clown for catching the ball.	Performance Gym <ul style="list-style-type: none"> <li>- During V-Ball class or during intramurals</li> </ul>
	Basketball Scene : Alluding to the Peter vs Flash scene in Amazing Spider Man 1 except he fails miserably trying to show off and gets the ball taken away, and then thrown into his face.	Performance Gym <ul style="list-style-type: none"> <li>-</li> </ul>
	Pavitr discovers he is basically Spider-Man. A poster with the iconic line "With great power comes great responsibility" is slid under his door and he just throws away saying "but I don't really wanna be Spider-Man"	Dorm Door - Hallway
	Keyboard Accident: Show a clip of Pavitr typing on his keyboard. He gets overly enthusiastic about finishing a project, hits the last key a little too hard and keycaps fly upwards.  (have the keyboard out of frame and have the keycaps on a seesaw mechanism so it flys up)	Dorm Room - Desk
Present Day 3:00 ~ 6:00	Pavitr finally makes it to the classroom.	
	Classroom situation	

## Jokes, Lines, References:

- "I am the spiderman of my universe, but I don't really want to be spiderman. I'm just your friendly neighborhood Pavitr trying to get his Biology degree."
- "I gave up on the idea of web swinging a long time ago because I took a look around and realized Abu Dhabi wouldn't really be the right city for that. Perhaps Dubai would've been a better place."
- "As useful as web shooters would be, that aspect of spider-man unfortunately remains fiction for me."
